

Line 10, delete "rates of the spare areas within the optical disc in accordance with a recording area,".

Line 14, change "technique" to --techniques--.

Line 16, after "recording" insert --optical--.

Line 17, delete "which use light".

Line 18, delete "in magnetic recording"; after "and" insert --along with a--; and after "for" insert --a--.

Line 19, after "capacity," insert /optical recording media have become more

popular than magnetic media/ and delete "the application of light rather

than magnetic as the recording".

Line 20, delete "medium is the trend of time".

Line 21, after "disc" insert --,-- and after "medium" insert

--,--.

Line 22, change "that" to --the reliability--; and change "Due to this fact, techniques for complementing" to

--Techniques for compensating and/or correcting--.

Line 23, after "have" insert --therefore--; change "via" to

--using--; and delete "a furnishing of".

Line 25, change "The spare" to --Spare--.

- Line 28, after "area" insert --that is--; change "when being probably" to --that is--;  
and change "in the" to --and thus--.
- Line 29, delete "state of being".
- Line 31, change "in the concept of preparation" to --to prepare-- and delete "a".
- Line 32, change "upon" to --to--; delete "At this time, the provision of the"; and  
change "spare" to --Spare--.
- Line 33, change "to" to --at--.

Page 2

- Line 1, change "induces" to --induce--.
- Line 2, change "to be" to --and--.
- Line 8, change "diameter" to --radius--.
- Line 9, change "is" to --are--.
- Line 10, change "is" to --are-- and change "Even not" to  
--Not--.
- Line 11, change "FIG. 1," to --FIG. 1 is--.
- Line 17, delete "of".
- Line 18, delete "arranging" and after "areas" insert --are arranged--.
- Line 22, change "heightened" to --increased--.

Page 4

Line 6, after "disc" insert --,--.

Line 7, change "present optical inconsistency owing" to --are optically inconsistently due--.

Line 12, change "a lot of endeavors has" to --many attempts have previously-- and change "until now for securing the" to --to achieve the desired--.

Line 15, change "solved" to --eliminated--.

Line 18, change "is" to --has --

Line 19, delete "it to involve the inconsistency".

Line 21, change "are respectively differed" to --differ--.

Line 23, after "reason," insert --the-- and change "to incur" to --without experiencing reduced reliability--.

Line 24, delete "a problem of lacing in reliability of the disc".

Page 5

Line 25, change "fabricating" to --fabrication of--.

Line 27, after "constructed" insert --such--.

Line 31, after "invention" insert --,--.
